

TRAIL ROUTE DESCRIPTION

Tickets: We rely on your honesty. Please purchase your tickets inside the barn **BEFORE** riding the trails.

All trails start and finish at the barn

◆ ■ ● **Route 1 - Blast off - 27km**

Includes the following trails: Green Circle, Blue Square and Black Diamond routes.

The total length of this route including all the Black Diamond options is just under 27 km. An average to good mountain biker takes between 90 min to 2 hrs to complete the entire route

◆ Black Diamond trails are off shoot trails and very technical, they consist of steep drop-offs, jumps, switchbacks, BMX ramps and berms. They all link back onto the blue or green trail so you can always meet up with members of your group who do not want to attempt the Black Diamond.

WARNING:

The Black Diamond trails are a challenge and should only be attempted by experienced mountain bikers. There are chicken runs for those who have a change of heart.

■ ● **Route 2 - Easy Rider - 16km**

This is a combination of easy blue and green trails and is around 16km of easy riding. Suitable for beginners with who want to push their limits a little bit more

● 🦶 **Route 3 - Hallelujah Experience - 12km / Trail Running**

This is a fast free-flowing ride through the shady forest and is approximately 12 km long. The green trail is suitable for all riders and trail runners.

Route 4 - Out Of Commission

Heavy rain has washed away Innocents Bridge - parts of this route will be out of commission until winter

● 🦶 **Route 5 - Altogether now - 4.2km / Trail Running**

A gentle meander through the forest close to the Barn. Suitable for children who are learning the ropes but who need adult supervision. Parents can walk, run or cycle with their kids and enjoy the scenery. Also suitable for trail runners.

MTB Guides are also available for hire at R150.00/h
